

Mexican Pale Ale

Mexican Pale Ale

The Liquid

This Mexican Pale Ale balances two hop varieties, the Syrian hops provide bitterness while the Lemon drop hops produce a **crisp citrus aroma**... the caramel malt provides a **great balance** to the **slight hot pepper spice** on the finish.

Tasting Notes:

Aroma: mild citrus hoppy, balanced with caramel malt

Taste: soft bitterness and crisp citrus, well balanced.

At swallow: the surprise of the spice (mild, but recognizable). Very good drinkability.

Nutritionals:

5.5% ABV

Color: 20 EBC

Bitterness: 30 IBU

Original gravity: 13.5 °P
