Triple India Pale Ale

Complex Grapefruit Aroma · Fine & Crisp Carbonation

This “triple” India Pale Ale is utterly smooth with a powerfully hoppy presence and pleasing 11.5 percent of alcohol by volume. Its hops are at once earthy and floral, and its full malt body provides a sweet, sticky finish that isn't so cloying that you wouldn't take a second sip. That next gulp soothes the palate with a softness you wouldn't expect from any IPA. You might even find honey and fruit notes that are sweet as melon.
