

## SQUISHY KITTY

### Hazy & Juicy New England Style IPA

Fermented with Grapefruit · Light & Refreshing

Our brewer Christopher Bowen has a pet cat at his home brewery, apparently to keep the grains safe from other critters and loyal companionship. Laying around watching beer being made for years now has made him pretty “squishy”.

Our latest New England style IPA won't be around long enough for you to worry about that. Dry hopped with Mandarina Bavaria, Amarillo and Mosaic, and fermented with grapefruit and milk sugar.

#### Physical Specifications
