

YOU'RE KILLIN' ME, SMALLS

RASPBERRY SHANDY

The newest warm weather quencher in our line-up: a raspberry-infused lemon shandy! This shandy starts off with a base of pilsner and wheat, is dosed delicately with Warrior hops to compliment the complex bitterness from the lemon, then fermented with our house ale yeast. To top off this refreshing base and keep you wanting s'more, we infuse this beer with all natural raspberry. This beer is perfect for crushin', yeah yeah!
