ANNIVERSARY ALE

STYLE: Double Barrel Aged
Strong Ale
ABV: 15.5%

In celebration of our 25th year brewing forward thinking, fearless, bold and independent beers, we decided to first look back on what we've learned. We studied the recipes that define Heavy Seas and we took bits and pieces from these beers to create something new. This massive tribute to our 25 years of brewing is a strong ale brewed with English hops and aged, not once, but twice in barrels. The beer was first aged in bourbon barrels and then finished in Rye barrels. This double barrel aging adds significant complexity to this layered, extreme beer. With notes of toffee, caramel, vanilla and earthy hops, this beer is as ambitious as starting a craft brewery in 1995 was. Working from the very beginning allowed us to find out exactly who we are and who we've become over 25 years. We've never been afraid to push the limits of brewing. We've never been timid in our flavor. We've never had to listen to anyone tell us what to do. And because of you, we have stood the test of time. Thank you.

We are **25**.
