

SOGGY DOLLAR

R U M

From Pirates to Painkillers, the legendary romance between rum and the Caribbean continues with Soggy Dollar rum... one sip and you'll be swept away; sitting on the sand in White Bay.

Rum has been synonymous with the Caribbean for over 300 years. Much like the adventurers of the seventeenth century, today the Soggy Dollar Bar, birthplace of the original Painkiller rum cocktail, is a place people can still live life on their own terms.

Whether in a craft cocktail or simply sip and savour over ice you will be transported to this Virgin Islands paradise.

Sniff, Swirl, Sip.

DARK

A handcrafted custom blend of the finest aged rums up to 8 years from Barbados, Jamaica, and Dominican Republic. Triple distilled from cane sugar molasses and aged in American old oak casks. The result is a unique character with exceptional taste and smoothness.

Tasting Notes

A deep Golden colour. Aromas of light dried fruit, caramelised vanilla with hints of sherry cask. A soft and smooth finish with a touch of vanilla and oak on the taste.

ISLAND SPICED

Born from our smooth handcrafted dark rum then infused with a secret blend of native spices.

Tasting Notes

The complex taste of spices with underlying notes of citrus and tropical fruits. With hints of Pineapple, bitter orange and nutmeg on the finish.
