**Our T3 seasonal is a collab with another big “420” culture icon...**

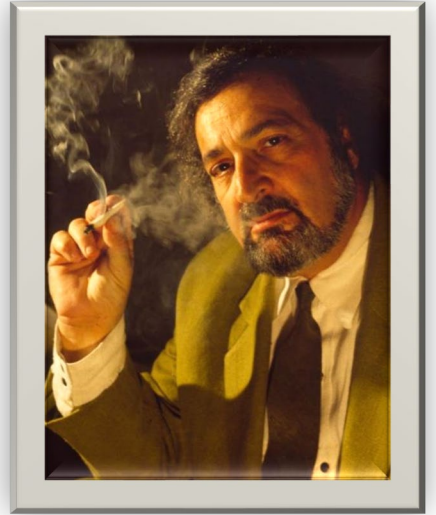

**With the help of Jack Herer's son, Dan Herer, we went back to the lab with the Jack Herer strain, one of the top-rated cannabis strains of all-time, to develop the specific terpenes that make this collab as authentic as the real deal.**

#### About Jack Herer:

- Jack Herer and now his son Dan Herer, are famous cannabis rights activists dating back to the '70s.
- Jack Herer is the author of "*The Emperor Wears No Clothes*" dubbed the original "Hemp Bible"
- The Jack Herer Strain is an all-time top-rated cannabis strain and the "Jack Herer Cup" is the Premier Cannabis Awards Show hosted every year in Las Vegas.

**With IPAs still the number 1 ranked style in craft and growing at over 20% YTD, we combined the Jack Herer strain with a Hoppy Red IPA to give it aroma and flavor notes of pine, citrus, orange, and a hint of pepper fit for the original Emperor himself.**
