MESSAGE FROM THE TEAM

On behalf of the new Specialty Brands Division, I am excited to introduce this inaugural issue of our Wine & Spirits Portfolio Book. While our wine and spirits continue to be listed in our main CPL we wanted to provide an additional tool for this side of the portfolio. A price book with clear breakdowns of all relevant wine and spirits information beyond a traditional CPL structure. This book will focus on highlighting what is new, hot, or quite simply what excites us here at Kramer Beverage. Currently, we anticipate this being issued quarterly but will assess and create new issues as needed.

PAT MURRAY

BUSINESS DEVELOPMENT
MANAGER

I want to thank our retailers for your support during this exciting time at Kramer. I have enjoyed discussing with many of you about our new wine and spirits strategy. Your feedback provides valued insight for growth in this high-profit segment of the alcohol business. Our mission is to provide New Jersey's retailers and consumers with a wide variety of quality products and outstanding service.

I look forward to collaborating and growing this segment of our businesses and proud to introduce you to our new Specialty Brands Division.

GRAN APPASSO: 6/750ML \$65/5CS M&M PTR: \$10.83/BTL

Old world wine is the world that I like to drink in and Gran Appasso fits my palate perfectly! This “Ripasso” style wine is a blend of 70% Primitivo and 30% Negroamaro. On the nose it has big notes of dark berries and plum, along with a subtle hint of dark chocolate. It is a wonderful full bodied wine and the tannins are right in the middle of the road, making this wine pair perfect with a beef or lamb entrée! I love this wine for almost any occasion and can definitely be enjoyed year round! If Amarone is your style, but want something a little more affordable, Gran Appasso is the perfect bottle for you!
