**DESCRIPTION**

Welcome to the Big League. While Rec. League is our ultimate cooldown companion, sometimes life calls for a beer that packs an even bigger refreshingly-tropical-hop-filled punch. So we took that hazy pale ale recipe and multiplied everything by two (dry hops included), to create an extra citrusy and surprisingly crushable hazy IPA. Big wins call for big hops, no matter the player.

**PAIRING SUGGESTIONS**

Shrimp Pad Thai, Curry Beef Roti, Mango Sorbet, Backyard Tailgates, Fridays at 4:00, Bleachers
