

Yuengling®

★ DARK BREWED ★ **PORTER**

Yuengling® Dark Brewed Porter is an original specialty beer that has been brewed expressly for tavern owners and family trade since 1829. We are proud to be one of the largest Porter producers in the US. Our Porter calls for a generous portion of caramel and dark roasted malts which deliver a rich, full-bodied flavor and creamy taste with slight tones of chocolate evident in every sip.
