

NEW BELGIUM®

To celebrate our 30th Anniversary, we brewed a special, hop-forward tribute to our beloved Fat Tire. Dry-hopped with Mosaic, Galaxy, Idaho 7 and Sabro, Wild Ride has a decidedly American-style aroma that rolls right over malty-sweet and fruity amber characteristics. It's a perfect reflection of the last 30 years—totally recognizable, a little unexpected, and easy to love. What a wild ride it's been.
