

#SORRY NOTSORRY

PEACH IPA

A new member in our line-up, this beer is brewed with a balanced blend of American barley and British oats, delicately hopped with Simcoe, Mosaic, and Azacca hops, then fermented with our house ale yeast. We're totally not sorry about the explosions of fruity hops mingling so effortlessly with the natural peach that is added during fermentation to make this IPA clean, bright, juicy, and balanced.

ABV: 6.7 IBU: 28

MALTS: 2-ROW BARLEY, BRITISH MALTED OATS
