HAZY ALE

Drift beneath dayglow skies on a cool, refreshing current of zesty candied orange and lemon notes, immersed in the mellow malt embrace of a deliciously lazy, hazy afternoon.

A hazy ale with the summery appeal of hoppy, fruit-forward citrus, melon and sun warmed grass combined with a soft breezy wheat malt. Reminiscent of yard games and hanging lakeside.

BREWER'S NOTES: Starting off as a best seller at our pubs, Neon flew into our seasonal lineup in 2019. Cashmere, simcoe and Lemondrop hops lend layered citrus — Meyer lemon, mandarin orange. And at 4.8% it's truly a brewer's beer.
