FEATURED WINE

CA'DEL SARTO ROSATO

This 100% Pinot Grigio Rosato is dry, full and pairs perfectly with so many light dishes but especially with fish, soups and delicate cheeses. It's copper color comes from a 6-8 hour skin maceration process. Enotec Imports bring us this winner that is produced in the mild climate of Friuli, Italy. Delle Venezie DOC

12/750ML \$75/1CS PTR: \$6.25/BTL

FEATURED SPIRIT

DOGFISH HEAD STRAIGHT WHISKEY

This whiskey is aged more delicately than your typical American Whiskey: In wine making, the use of toasted and lighter char oak barrels is preferred to allow the liquid to mature and retain the delicate flavors of the grape. We apply the same philosophy in the barrels we select to age our whiskey. The result is a delicately aged whiskey, reliably smooth, capturing the nuances of the malted barley.

6/750ml \$135.49/1cs PTR: \$22.58/btl

FEATURED CANNED COCKTAIL

SUPERBIRD GRAPEFRUIT PALOMA

High quality specialty cocktail made with 100% Weber Blue Agave Tequila, mixed with grapefruit juice, agave nectar, and sparkling water. Crafted and canned locally in Tequila, Mexico. A can of Superbird feels like having one of the best cocktails in the world made from your favorite bartender. Can you tell we are excited for this one?!

BATTLESHIP NJ HONEY FLAVORED RUM

Pine Tavern Distillery is New Jersey's first farm distillery and Salem County's first distillery since prohibition. Established in 2015, this family-owned business is located in the small town of Monroeville, NJ.

The bottle's label depicts a representation of the battleship underscored with 19 stars that represent the awards she earned, the most in the history of our country. The white background represents the dress whites worn by her sailors. And the honey is a tribute to the Seabees, the US Navy Construction Battalion whose logo is a Honeybee.

A portion from the sale of every bottle sold will be donated to the Home Port Alliance for the USS Battleship New Jersey, Inc., the organization responsible for the maintenance of the Battleship and museum.

SI SEÑOR - SANGRIA: \$44/3CS PTR: \$11.00 BOX

It's summer time! The temperature is rising and the drinks are flowing. I have always had a hard time deciding what to take with me to the shore this time of year, however, that has changed. Si Señor Sangria is the perfect summertime beverage. It is a red wine based sangria which is not too sweet with the perfect balance of fruits and citrus. Take this boxed sangria with you to the beach, pour it over ice and add an orange slice or two. That's how I will be having it while watching the waves this season.
