DESCRIPTION

The first seasonal craft beer release on the east coast, Winter Warmer has been our holiday tradition since 1988 and has become a New England classic. Combining the subtle sweetness of caramel malt with holiday spice additions of cinnamon and nutmeg, it's both hardy and satisfying yet surprisingly easy-drinking. From the cozy pubs and apartments of Boston to the snowy lodges in Vermont's Green Mountains—enjoy with friends and loved ones and let the revelry begin!

PAIRING SUGGESTIONS

Caramelized butternut squash, bread pudding, any stew with Garam Masala, your favorite sweater, snowstorms in Beacon Hill
