

What is Worklete?

Worklete is a program that provides an always-on safety coach utilized by front-line team members. This program gives team members a personalized learning experience to build lasting habits and reduce the risk of injury. Worklete gives you the tools you need to move safe, move smart, and live well.

Worklete is an app for your phone that offers a daily program. You check-in each morning using the app, watch a quick 3–5 minute video and answer a few review questions. It's that simple.

Sign Up NOW!!!

To sign up for the app, you click the link on the text message that was sent to your phone. There is a specific link for Android or iOS devices. Make sure you use the proper link. If you have any issues signing up, please contact Worklete support using the contact info below.

Login Steps:

- 1) Enter Company ID: **KRAMER**
- 2) Enter your mobile phone #
- 3) Receive 4-digit PIN via text
- 4) Complete the onboarding using the app

Worklete Incentive Program

Worklete Roll-out Incentive program (starting January 3, 2022)

- Eligibility for the entire incentive program is based on achieving 80% participation and 80% score on the review questions.
- **55" LED TV:** We will raffle off one (1) TV each week in January (4 weeks) for those eligible.
- **\$25 Wawa gift card:** We will raffle off five (5) Wawa gift cards each week for the first 3 months (January thru March) for those eligible.

Worklete Safety Bonus

- We are eliminating (after 2021) the current \$50 annual safety bonus for no accidents.
- In its place, we will be awarding a \$100 annual bonus for Worklete. Eligibility is based on 80% participation and 80% overall scores for the review questions.
