Flying Fish Winter Cru (Local)

Belgian Strong Golden Ale / 7% ABV / 10 IBU / Somerdale, NJ / ●●●●●●●●●●

This Belgian-style strong golden ale showcases a variety of the ingredients and brewing methods that help differentiate Flying Fish beers. The Grand Cru is fermented at a higher temperature than our other beers adding an undercurrent of fruitiness (although there is no fruit in the beer). Very lightly filtered, the Grand Cru exhibits complex mouthfeel, strong malt flavors, a spicy hop presence and a soothing alcohol warmth, followed by a clean, dry finish. It is excellent with food as well as served by itself.

Guinness Open Gate Gingerbread Stout

Spiced / 6% ABV / Halethorpe, MD / ●●●●●●●●●●

Unlike last year's Barrel-Aged variant, our new Gingerbread Stout is focused on showcasing the real ginger, nutmeg, cinnamon, and allspice we used in the brewing process, rather than highlighting the bourbon and vanilla characteristics from the barrel. At 6% ABV, this is a more sessionable offering, built for the kind of holiday gatherings spent around friends, family, delicious treats, and warm fires. Please enjoy responsibly!

Flying Fish Constant Motion - Coffee IPA (Local)

IPA - American / 7.5% ABV / Somerdale, NJ / ●●●●●○

16oz Can 4 Pack

Coffee IPA collaboration with Revolution Coffee of Collingswood. This brew is wonderfully complex with copious amounts of tropical Citra, Mosaic and Azacca hops. Enhanced by bright berry notes and smooth caramel finish from Revolution's masterfully balanced house cold brew.

Guinness Open Gate Barrel-Aged Mint Chocolate Stout

Stout - Other / 11.9% ABV / Halethorpe, MD / ●●●●●○

12oz Bottle 4 Pack

This big, bold stout was brewed with dried spearmint on the hot side of the brewing process and with pure cacao added following a few months in a bourbon barrel. On the nose, bourbon and chocolate are very present. The barrel contributes a big dose of vanilla on the palate, along with a light, candied mint flavor. One of our most unique barrel-aged projects yet.
