Kramer Beverage Golf Outing Survey

This survey will be used to determine the number of employees that would like to participate in a Kramer Beverage Golf Outing on Saturday, September 23rd.

Doug Butcher - Doug recognized a label swap on his truck prior to leaving the warehouse. We were able to correct both pallets prior to the trucks leaving the warehouse. This was a great catch especially, on a holiday weekend.

Amy Sandfort - Amy put in some extreme hours covering for a month while short-staffed.

Melvin Gould - Melvin took time from his job of replenishing to help new employees with training on how to build blocks on skids. He has been seen helping several new employees that were struggling to build a skid.

Charles Kramer - Molson Coors Legends Shoot

Charles was awarded the prestigious Molson Coors Legends Award at the annual Molson Coors Distributor Convention held last September. The Legends video was shot on July 29th and will debut at this year's convention! Check out some of the behind-the-scenes shots!

Kramer Cares Water Bottle Pick-ups

An advertisement for the Kramer Cares Water Bottle. It features two clear plastic water bottles with black lids and handles. The bottles have a heart-shaped logo with 'KRAMER CARES' inside. To the right of the bottles is a large 'BUY NOW' button with a shopping cart icon. Below the button, it says '1 FOR \$8 OR 2 FOR \$15'. At the bottom, it says 'Benefitting Virtua Health's Pediatric Mobile Services Unit' and 'See Stephanie Kiel, Melissa Allen, or Christina Dunleavy to purchase!'. Logos for 'KRAMER CARES' and 'Virtua Health' are at the top.

If you missed the opportunity, you can still purchase our limited Kramer Cares Water Bottles for \$8 or 2 for \$15. Visit Stephanie Kiel (skiel@kramerbev.com), Melissa Allen (mallen@kramerbev.com), or Christina Dunleavy (cdunleavy@kramerbev.com) to purchase.

Happy #OperationSafeDriver Week! Operations celebrated yesterday with a BBQ outside with Andrew and Bill at the helm. Thank you to all our drivers for remaining safe on a daily basis!

Automated Accounts Receivable Statements are on the way and coming to a retailer's inbox in the very near future!

- We have been working on automatically sending weekly or monthly AR statements thru email. There is even a daily statement for customers that are overdue and may have a short or skipped invoice. If you would like more information or would like to sign a retailer up, please contact AR at ar@kramerbev.com or call x1110.
