

Good afternoon Team Kramer,

We are excited to announce a momentous occasion in our company's history - our 100th-year anniversary in 2024! Over the past century, Kramer Beverage has grown, evolved, and thrived, and we owe our success to the incredible team that has been with us every step of the way.

To kick off this monumental celebration, we are hosting a Prohibition Party on December 5th, a date that holds significant historical relevance as it marks the repeal of Prohibition in the United States which propelled us from a soft drink bottler to South Jersey's largest beer wholesaler!

Details for the Prohibition Party:

Date: Tuesday, December 5th

Time: 2:30-5:30 PM

Location: Hospitality Speakeasy

RSVP: <https://www.surveymonkey.com/r/TBCSVXT>

Our Prohibition Party will be an afternoon of glitz, glamour, and fun! The Roaring Twenties, with its jazz music, flapper fashion, and the spirit of rebellion, symbolizes an era of transformation and innovation, much like our own journey of Kramer Beverage. Plenty of food, beer, and 1920s fashion props will be provided at the party.

This event is not only a celebration of our past but also a glimpse into the bright future that lies ahead for Kramer Beverage. It's a chance for us to come together as a team, toast our shared achievements, and kick off our 100th-year celebrations to continue throughout the year!

We would like to thank each and every one of you for your hard work, dedication, and commitment to making Kramer Beverage what it is today!

Cheers to 100 years!
