We will be accepting monetary donations which will be used to purchase essential items for the organizations such as diapers, cleaning products, and other supplies. While working the trade with Brendan on Thursday 1/11, he wanted to acknowledge the work **Drew Gavin** has done owning the cold space in his off-premise accounts. He took space from Hunterdon at Liquor Mart Bellmawr and also gained space through a reset at Wine Nova to improve to 70% share of cooler.

We were in the warehouse loading all of the bags from the coat drive and **Mike Maddrey** came over and loaded them all for us. There was a considerable amount of bags that filled the entire car. His help was greatly appreciated!

Jim Challender was recognized by the Sales Peer leadership group for being very helpful, a team player, and for exemplifying the Kramer Beverage fundamentals.
