Employee Recognition - All Star

Jim Challender, Delivery Services Manager: Jim has stepped up over the last few months. In addition to doing his normal day job, Jim has had to cover for a supervisor out on leave and has been taking on additional responsibilities,

specifically with BizStride (our new routing software) and the changes with advanced selling.

Eddy Miranda, IT Support: Eddy stepped up beyond the normal scope of his job and his actions resulted in economic savings for the company. On April 25th around 6pm, Holden received a call from Bill Miller. There was an issue with ALL eoWarehouse tablets not being able to connect, these tablets are needed for warehouse replenishment and layer picking. Holden was currently not in the position to help directly, so he called Eddy to see if he was available to help and he immediately left home and returned to the office. Eddy's willingness to jump in and help, kept us from having a pause in picking and beer being loaded on trucks

THANK YOU FOR YOUR SERVICE!

Congratulations, Tom Hayes, for accepting the position of Key Account Representative for Cape May and Atlantic Counties. Tom's attention to detail, work ethic, and ability to create great customer relationships make him an ideal fit for the KAR position. Tom started at Warren Distributing in October of 1998 and had many successful years working across their entire market. Tom joined the Kramer team on May 1st, 2017, during the acquisition and has been an integral part of the success of the company ever since. Best of luck in your new role, Tom!

Memorial Day Update

We are at a critical juncture as we approach Memorial Day. In an effort to get more volume for next Monday, we are changing the order cutoff. **This is just for this week and is not a permanent change.**

The cutoff for Monday, 5/20 deliveries, will be Saturday, 5/18 11:59pm. In simpler terms, we are moving the order cutoff from Thursday to Saturday. Please inform your customers as it is critical that we get more volume out earlier in the week.

Finance/IT Department

Juneteenth Holiday

Juneteenth National Independence Day is observed on Wednesday, June 19, 2024, as a bank holiday. The Federal Reserve and ADP will be closed.

Kramer Beverage will remain open during this holiday. However, this means your paychecks will be dated Thursday, 6/20/24. If you have direct deposit, this could also be delayed.

Please contact the Payroll Department with any questions.
